

Miss Roberts

One Page Profile

Hello everyone, I am a Year 7 Teacher at Chelveston Road School.

I'm looking forward to meeting you very soon.....

My family / friends:

My family is very small, but they mean everything to me! My mum, sister and brother in law live near me in Kettering and my Gran is a strong age of 94 and lives an hour away in Leicester with her beloved cat.

My friends are dotted around the country and I love visiting them on the weekends.

I love working at Chelveston Road School because it is fun, energetic and interesting. I enjoy getting to know my students each year and helping them.

Working with students, having fun and learning is my passion!

My favourite subjects at school are English, Drama, and Music, especially singing and playing instruments.

All about Me:

My favourite things to do are dancing, playing the piano and swimming.

I love going on long walks in the countryside.

I love to eat Mexican food (not too spicy!) and I have a real sweet tooth for cakes and chocolate. Sometimes I try to make my own cakes at home which are varied in success!

My favourite animals are penguins and dolphins.

I love to go traveling to different countries in the school holidays. My favourite holidays have been in the USA!
