

# Mrs Barron

## One Page Profile

Hello to everyone who will be joining us this year, both students and staff. I am looking forward to working with you at the amazing Chelveston Road School!

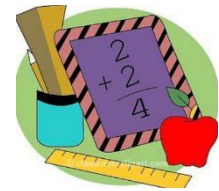

### My family:

I have 2 children - Josh is my eldest and lives with his wife and his 3 beautiful little girls in the Wirral. My youngest is Charlee who is a professional dancer so works in different places around the world! She works in Turkey. My husband is Paul - he is a civils engineer and works very hard keeping everyone connected!

### My teaching experience:

This is the 3<sup>rd</sup> school that I have worked at and I have been teaching for quite a long time! My favourite subjects are Maths and Science, but I also love being creative in Art and making things in DT. Practical lessons are the best!

### All about Me:

I really enjoy being busy! My hobbies are cycling, gardening and cooking as well as crafting. I like knitting and sewing because I can watch TV at the same time, but also like to read when I am on holiday or relaxing in my caravan. I love going on holiday and have lots of places on my bucket list to visit. My family and friends are very special to me. My favourite foods are steak, sticky toffee pudding and strawberry laces (the ones with the white middles!).
