I am the Assistant Head at Chelveston Road School

My family / friends:

I love to spend time with my family and friends.

Some of my family live in another part of the country, called Yorkshire.

I have two grown up sons. One has a little boy, and one has two little girls.

I have some really good friends who I like to spend time with.

What I like about school:

It's amazing!

It's such a happy place!

The staff and students are awesome!

Everybody tries to be the best they can be!

The school is wonderful inside and out!

Every day is great!

All about Me:

I love cookies and chocolate

I love to take my dog, Oppo, out for a walk. I like to go shopping and I enjoy meeting family and friends for a meal out.

I love dramas on TV and a good film. I also love cooking programmes...although I don't often cook what I have watched the chefs making.

I love English and History but I'm not very good at PE.

I love working at Chelveston Road School. It is a really happy place with very helpful and friendly staff and students.
