Year 7 Class Teacher

My family / friends:

I am married to Alex and have 2 grown-up daughters and 2 grandchildren.

I love spending time with them and with my friends, especially in the summer when we can be outside enjoying the sunshine (if we're lucky, it is England after all)

I have worked in education for more than 25 years and love being a teacher.

What I like about school: Quick fire questions:

Favourite food: curry

Favourite place: Lanzarote

Favourite thing to relax: I love reading and listening to music

Something I have always wanted to do: Become a rock star!

All about Me:

- When I was at school, my favourite subjects were English and science
- I used to find maths tricky at school and was sometimes a bit scared of it
- Before I worked in education, I worked in a bakery, an office and managed a pub
- If I didn't work in education I would've loved to have been in a band (I can play a mean tambourine or maraca)
