

Mrs Smith

One Page Profile

Hello everyone, I am one of the Teaching Assistants at Chelveston Road School. I am looking forward to meeting you all very soon.

My family / friends:

In my family home I live with my husband Stuart and two children, Emeli and Toby. We all love animals! We have two dogs: one called Marley and the other called Poppy, 2 cats called Mittens and Malcolm, two chameleons and a fish pond in the garden. We all love spending time together at weekends being silly and having lots of fun.

What I like about school: Quick fire questions:

What are my favourite subjects at school?

Art, history and science.

Why do I like being at school?

Because I like to learn something new every day.

Do I like the subject English?

I do, I especially enjoy poetry.

All about Me:

On the weekends my family and I really do enjoy going for long adventures around the countryside with our dogs.

I also love drawing pictures and listening to music.

My favourite colour is green, I do like some shades of orange too. I absolutely love food especially chocolate, but my very favourite meals have to be pasta dishes.

I like to learn new things every day, and to set myself challenges to see what new thing I can achieve next.
