I have been a teacher for a long time and passionate about helping students to achieve their potential.

My family / friends:

I live with my partner Liz and our dog Mollie who is a black cocker spaniel.

I have a sister who is older than me called Elaine.

I like to socialise and visit places with my friends. I spend a lot of time in Hunstanton.

I have other friends that I have worked with and played sport with.

What I like about school:

You learn something new every day.

We should all work together to succeed.

No day at school is ever the same.

Quick fire questions:

Hot Drink: Tea.

Food: Anything, especially Lasagne/White Chocolate.

Sport: Football & Cricket.

All about Me:

I like to watch and play football and cricket, as well as keeping fit by running and going to the gym.

I like to cook especially on the barbeque, in all weathers.

My favourite holiday destination is the Caribbean.

I listen to a variety of music, from acoustic when relaxing to dance when running.

I like all things to do with nature but mainly birds, bird watching and nature photography.

My dream is to visit the Galapagos Islands to see the different animals that live there.
