Year 7 Class teacher

My family / friends:

I have two grown-up children - my son, Zak, and my daughter, Ellie.

I love spending time with them (often cheering them on as they play their different sports) and exploring new places with them.

My friends are very important to me too! I love to spend time with them making memories and laughing.

Favourite food: Tapas and chocolate

Favourite place to visit: Ilkley Moor – Yorkshire

Favourite things to do: Read books, walk with friends and visit coffee shops

Holiday Wish list: Visit family in Thailand

All about Me:

I have been a teacher for many years and my favourite subjects is Maths.

I used to play the drums in a marching band! We had a lot of fun trying to remember what to play whilst marching in different directions! I also learnt to play the piano but am definitely in need of a lot of practice now.

I have enjoyed playing different sports but more recently have swapped my hockey stick for the swimming pool!

The thing I value the most is KINDNESS.
