## All about Me:

I have been teaching PE for 19 years in a secondary school and more recently in two primary schools teaching PE from reception to year 6. I really enjoy active holidays with my family and friends and am happiest when sleeping under canvas!

Another passion of mine is gardening and I enjoy looking after my fruit and vegetable patch and cooking with home grown produce.

I am very excited to have joined Chelveston Road School and looking forward to giving the students a positive and fun PE experience.
