

Dear Parents and Carers,

Where has the time gone? We have nearly completed our first two terms of our second year at Chelveston Road School and what a fantastic time it's been. Our student and staff teams have doubled overnight with everyone settling in well to our growing school. So much has happened this year already, and it could not have happened without our amazing staff team, the support we receive from parents and carers as well as acknowledging the wonderful contribution our students make to life at our school.

The next couple of weeks promises to be as equally exciting as we build up to the Christmas holidays. Students will continue to be involved in their normal timetable up to and including Wednesday 14th December. Then on Thursday 15th and Friday 16th we will be offering a range of different Christmas activities, which class teachers will share with their students nearer the time. However, please note some key dates below:-

Thursday 15th December

Christmas lunch. This will be a great opportunity for staff and students to sit down and have Christmas lunch together. If your child doesn't normally have a school lunch, please do look at the Christmas week menu on our website <https://www.chelvestonroadschool.org/families/letters-home/>

Friday 16th December

Christmas jumper day! Students and staff may wear mufti for the day, but please wear your best Christmas jumper to school that day. We will also be holding our Christmas 'Talent Show' on this day.

Returning to school in 2023

Tuesday 3rd January is a staff training day with all students returning to school on Wednesday 4th January 2023

May I take this opportunity to wish you and your families and very Merry Christmas and Happy New Year.

Yours faithfully

Mr M Adams
Head of School
