## Message from the Head

We're half way through the academic year, the days are getting longer and the sun is getting warmer; well, on some days whilst on lunchtime duty it is!

Please do take a look at and respond to our brief survey about your ability to collect your son / daughter from an after school club if they wanted to attend. This is a big area of school life which I don't want our students to miss out on, but I am also acutely aware of the pressures on families at having to collect their child after school themselves if they have attended a club.

Once I have a clearer understanding of how many families may be able to collect at 4pm, I will then inform you as to whether we will start offering after school clubs after Easter or whether we will wait until September when we have more students.

I wish you all a relaxing half-term break, and look forward to seeing all students back on Monday 20th February for Term 4.

Mr Adams  
Head of School

## Thank you!

A big thank you to Lauren from Northamptonshire Music and Performing Arts who has been working with our pupils. They have really enjoyed their sessions, and we hope to work with Lauren again in the future.

## School Attendance

We have an overall attendance this year of 93.84% which is great. Thank you for all of your support with this so far, it really helps our pupils and the school community.

## What's coming up?

World Book Day is on 2nd March this year. Each pupil has received a £1 book token which can be redeemed between 16th February and 26 March. We do not dress up for this event, but there will be activities happening in school on the day.

In March we will be holding a Creative Curriculum day – British Values. We will have visitors and activities around this theme all day. Further details on this will be sent out nearer the time.

Parent Consultations have been arranged for March, emails confirming your appointment will be sent out shortly.
