World Book Day

Dear Families,

World Book Day this year is on Thursday 2<sup>nd</sup> March and Chelveston Road School staff and students will be supporting the love of reading in the following ways.

The day will be a normal uniform day for students and staff, however, the day will run slightly differently.

Students will have the pleasure of staff reading extracts from their favourite books to them throughout the day as well as having an opportunity to participate in a reading orienteering challenge!

Thank you for all your support in encouraging and providing opportunities for our students to read, please do keep on promoting this fundamental life skill whenever you can.

We look forward to having a brilliant day promoting and enjoying the love of reading for pleasure.

Yours sincerely

A handwritten signature in black ink that reads 'M. Adams'.

**Mr M Adams**  
**Head of School**
