

## Human Papillomavirus (HPV) vaccination

The Special School Nursing team will be visiting your child's school on 15<sup>th</sup> June to deliver the Human Papillomavirus (HPV) vaccination.

The HPV vaccine called Gardasil 9 will be offered to all students, male and female, as a single dose given in school year 8.

HPV Vaccine

This vaccine offers protection against infection from the Human Papillomavirus (HPV) which can lead to a range of cancers in later life. Please follow this [LINK](#) or scan the QR code for further vaccine information

## HPV e-CONSENT FORM

Even if you do **not** wish your child to receive this vaccination, please continue to follow the link above declining your consent.

If your child is absent on the day of planned vaccinations, you will be offered the opportunity to bring them to a community-based vaccination clinic.

**The e-Consent will close on 8<sup>th</sup> June.**

If you have any queries, please contact the School Aged Immunisation Service admin hub on 0800 170 7055 option 5.

Yours sincerely,
