March 2023

## Message from the Head

Dear All,

It's been another busy term with lots going on, but the main thing that I would like to write about is mine and the school's thanks to our Assistant Headteacher, Mrs Mitchell, who is leaving us today. Mrs Mitchell has made a significant contribution in setting up Chelveston Road School and helping our first students make a positive start to their secondary school education. We wish Mrs Mitchell much happiness in her next chapter as she progresses into pastures new.

May I take this opportunity to wish you all a very Happy Easter. Whatever this season means to you and your families, I trust that you have a peaceful and relaxing couple of weeks.

We look forward to welcoming all the students back on Tuesday 18<sup>th</sup> April for two exciting summer terms when we get to welcome in our next year group of students.

Mr Adams  
Head of School

## What's been happening?

We held our British Values Day in March.

Anita Neil visited and spoke with the pupils about her experiences as the first black British female Olympian. It was fantastic to have a local athlete in, thank you Anita!

We have also purchased a school car, which will enable us to attend more events going forwards.

Our new laser cutter has been installed and staff have received training. This will really benefit the Design Technology curriculum.

## What's coming up?

Next term we will have an off-timetable day for Careers day. We will have visitors in to the school to talk to the pupils about their jobs, hands on activities and much more.

We will also be welcoming the Year 6 and Year 11 pupils who will be joining us in September during transition days.

## Sporting Events

Students from CRS travelled to local schools to join in with sports events this term. They showed great resilience against much older competitors and all competed with good sportsmanship. The tournaments were led by young leaders from the hosting schools and CRS students showed excellent listening skills and were very respectful to the other leaders and other students. Well done CRS for your first sporting fixtures this year!

### Boccia competition

A small group of our year 7s attended a Boccia competition with Mrs Griffiths at Isebrook School.

### Sitting volleyball tournament

Mrs Griffiths also took a group of year 8s to Friars Academy to attend a Sitting Volleyball tournament.
