One Page Profile

Hello everyone – I am a Year 7 Teacher at Chelveston Road School.

I am excited to meet you all very soon...

My family / friends:

My family is quite small, but they are everything to me. I try to see them as often as I can. My sister and brother-in-law live in Corby and my parents live in Peterborough. I live with my husband and our 4 year old son; Theodore, and our dog; Rufus.

I try to visit my friends at the weekends or enjoy taking Theodore out to the farm or experiencing different things.

All about Me:

I have been teaching since 2015 and started my career as a Teaching Assistant. I loved my job and wanted to do more for the children, so I trained and became a qualified teacher.

My family are really important to me. We love going for walks and playing outdoors. We also enjoy dancing together and copying our son with his moves.

I have always enjoyed sports. I used to play football as a midfielder and later took up boxing, where I participated in two white collar boxing matches. I now enjoy running and in 2020, I ran my first half marathon.
