

Mrs Procter

One Page Profile

Year 8 class teacher

My family:

I have two children - Bailey my eldest, who is a carpenter and lives with his girlfriend. Molly my youngest, who is currently studying at university to become a PE teacher! I also have two step children who live in their own house together. I live with my husband Lee and our two gorgeous cats. We love our blended family and time spent together is always full of fun and laughs!

What I like about school:

This will be my second teaching post, but have been working in schools for many years. I love being active and my favourite subjects are PE and Music. I am always singing and dancing! I also love cooking and I can't wait to sample some of the delicious recipes we will be making!

All about Me:

I love to be active and always have a sporting challenge to aim towards. I have been lucky enough to secure a charity place in the London marathon next year - something I've always dreamed of doing! I enjoy going to the theatre and live music events. My favourite musical is The Sound of Music and one of my favourite music events was Bruno Mars. I love to travel and experience different cultures around the world. I am very lucky to have visited lots beautiful places and countries.
